The Islamization of America

The Islamic Strategies and The Christian Response.

This book reflects the cry of Abdullah's heart to offer America an eye-opening wake-up call. It is far more than just another book on Islam. It unveils the Islamic strategies used to Islamize America. It offers a practical plan to stop the obliteration of our Christian civilization before it is too late.

Snatched from the Lions Jaws

Translated from Arabic
By Abdullah Al Araby

An amazing true story of a former-leader (Amir) of the Gamaa Islameyya, Islamic extremist group who recently converted to Christ. In this testimony, the author recounts how God snatched him from the jaws of terrorists and completely transformed his life.

The Islamization of American Schools

Under the guise of teaching "World history and geography," Muslim activists are infiltrating the American educational system. The impressionable young minds of our boys and girls are being indoctrinated to potentially accept and embrace the religion of Islam. This is the goal behind the course on Islam that is currently being taught to the 7th graders in the California public school system and other schools around the country.
