

Golden rule of Islam

By Ayesha Ahmed

Golden rule of islam is, " If you deliver infidels to Allah, Allah will deliver houries to you".

Thus the only pillar of islam is killing and delivering infidels to Allah or in other words, carrying out violent Jihad against all infidel unless they submit to Islam. That is what our prophet Mo preached and practiced and that is what our greatest scholars preached.

Greatest muslim scholars of recent times were Syed Qutub, Dr. Salah Serea and Mohammed Abed Al-Salem. They all preached Violent Jihad and the golden rule of islam.

SYED QUTUB

Our great leader Syed Qutub wrote one of islam's greatest books "sign posts" which is the heart beat of real muslims. All true muslims of today and their leaders like Shaikh Osama and Shaik Zawahiri swear by this book.

Syed Qutub wrote in his book:

"Demolish all governments and organizations that are established by man. The return of Allah's kingdom can only be established with a sword. Absolute rebellion is a must against anything on earth that conflicts with islam and to destroy it with great power".

9/11 action by our mujahids was one such rebellious act .

DR. SALAH SEREA

Another great muslim leader and a follower of Imam Taymmia was Dr. Salah Serea, the father of Islamic Liberation Movement (Hezb e Tehrir). Dr Serea wrote the following pearls of truth:

“Islamic leaders of today are people of prayers. They have built mosques. They have reinforced fasting and prayer and do whatever it takes to have the appearance of good muslims. Meanwhile they carefully keep true islam which is “violent Jihad” from the hearts of muslims. All these muslims are infidels and any one who stand behind them or supports them is an infidel “

MOHAMMED ABED AL-SALEM

This true mujahid wrote the book “The missing Commitments”. This book is the by- laws of world-wide Jihadi movement and is a must read for all muslims aspiring to copulate with with houries after death.

The book emphasizes that violent Jihad and slaughtering infidels was the “true islam” preached and practiced by our great prophet .

He wrote “bloodshed is the only way islam can again be spread and established. Fundamentalist Islamic authority must be established in every nation of the world with the help of sword”.

JIHAD SUPERSEDES PRAYER, FASTING AND CHARITY:

In his book Abed Al-Salem condemned the religious rituals practised by muslims such as fasting prayer and Haj. He wrote that these activities keep muslims so busy that they forget the real call of Allah , the the violent jihad and slaughter of infidels to spread and establish islam.

KILLING INFIDELS IS EVERY MUSLIM’S RESPONSIBILITY:

Abed Al – Salem wrote that killing is the big difference between true Allah’s religion of Islam and all other religions. Before Islam, Allah dealt with infidels with fire, floods earthquakes. However after establishing islam Allah transferred this responsibility of dealing with infidels to muslim umma. Our prophet established islam with violent jihad and set example for us. After him the early muslims used sword

to spread islam .

MULLAHS PREACHING ISLAMIC RITUALS ONLY ARE INFIDELS:

My dear brothers and sisters in Islam. These mullahs emphasizing prayers instead of jihad are infidels like the above Islamic scholars declare with religious authority. They are actually paid agents of the jews , hindus and right wing Christians whose orders are to keep muslims busy in religious rituals. They are brainwashing you that these silly rituals will earn you paradise and houries. On the contrary, these rituals will earn you hell fire. Here is what Allah said for those who ignore the only pillar of islam which is "fighting for Allah".

9.38: Believers, What is the matter with you, when you are asked to go forth and fight for Allah's cause (slaughtering infidels) you cling to the earth (staying home)? Unless you fight, Allah will punish you with a painful doom (Allah does not give a rat's behind whether you prayed fasted or performed Haj)

How is it possible that violent jihad which is prescribed for muslims in 164 ayas of quran including ayas which guarantee paradise to those who kill and get killed for Allah is not a pillar of Islam? If one does not think that the following ayas do not confirm that Jihad is the only pillar of islam , he needs to have his head examined.

Q 8.65: 008.065: "O Prophet! rouse the Believers to the fight".

Q 9.111 "Allah hath bought from the believers their lives and their wealth because the Garden will be theirs: they shall fight in the way of Allah and shall slay and be slain. It is a promise which is binding on Him".

Q 9.123: "Fight the unbelievers around you and let

them find harshness in you”.

Q4:84 “Fight in Allah’s Cause. Incite the believers to fight with you”

Q 2:216 “Jihad (holy fighting in Allah’s Cause) is ordained for you (Muslims), even if you dislike it”.

Q 47:4 “Smite their necks until you overpower them, killing and wounding them”.

Q 8.12 “Smite infidels on their necks and every joint and incapacitate them. Strike off their heads and cut off each of their fingers and toes.”

THE SO CALLED PILLARS OF ISLAM WERE PLANTED BY THE ENEMY

The so called ” pillars of islam” were planted by our enemies to weaken and de-ball the muslim umma.

SALAT

How can salat (namaz), the very awkward ass-up ancient sabean practice be a pillar of islam? There is not a single aya in quran which describes this ridiculous time wasting perpetual ritual ? As a matter of fact ass –up posture can attract evil and can be outright dangerous. . An attractive woman with a shapely behind in a prostrating position with her ass pointing to heaven can be very provocative for any healthy male (could that be the reason women are not allowed to lead prayers) .In such a posture , a woman can be a sitting duck for a rapist who can approach her from behind. Similarly a good looking prostrating youth with his cute behind perched up in the air can be very inviting and lustful for a mullah with homosexual

tendencies. Is it surprising that pedophilia is so common among mullahs of the mosques in Islamic countries?

HAJ

How can the pagan custom of shaving heads and circum-ambulating half naked around an ancient temple be a pillar of islam? How can requiring grown ups to throw stones on imaginary spooks like little kids be a tenet of a rational religion? How can dropping your pants and underpants , wrapping yourself with a white bedsheet and running in circles please a sane God?

Haj is not a pillar of islam, it is a big con job to steal poor muslim umma's money , concocted by infidels of Saudi Arabia.

FASTING

Fasting is the worst of the lot. It is the sadistic practice of self immolation through starvation, dehydration and abstaining from sex . Daily starvation and dehydration not only weakens and sickens the body it slowly weakens the brain and takes away it's faculty of reasoning. Why do you think homeless people who starve often become dysfunctional, retarded and delusional and end up begging on the roadsides. Why do you think all very Islamic quran toting countries without oil income are poverty stricken and always need help and charity from non muslim industrial countries to survive? Why do you think that few million jews have gotten over 150 noble prizes in sciences and 1.5 billion muslims did not get any (the two science noble prize winners with muslim names were non practicing secularists)

Fasting is a curse on muslims . It is actually a jewish conspiracy to sicken and mentally weaken the muslim umma and they have been very successful.

ZAKAT

That leaves charity which is a universally practiced activity and is common to all cultures and is not considered a pillar of any religion.

BONUS CLAUSE IN THE GOLDEN RULE

Although Allah has guaranteed paradise and 72 houries for mujahids and killers of infidels, there is catch. You have to wait for this orgy until after the judgment day. There is however a bonus clause. If you die for Allah and become a shaheed you can start copulating right after death. This bonus clause is a bonanza for young horny muslims and attracts thousands of them worldwide for suicide bombings and various jihadi missions.

GOLDEN RULE WAS APPLIED EVEN TO THE PROPHET

Allah is very fair in his affairs. Even his dearest and the top prophet Mo was not exempted from this golden rule of islam.

In Mecca when Mohammed had not yet fought any jihad or killed any infidels Allah had not guaranteed him paradise . Here are two verses regarding his doubtful fate at that stage.

Q 17.54: "Your Lord will have mercy on you or he will punish you. We have not sent thee (O Muhammad) as a warden over them".

Q 46.9 Say "I know not what shall be done with me or with you".

PROPHET MO STILL WAITING FOR HIS HOURIES

Although prophet Mo qualified to get paradise by his jihadi activities and cutting many infidel heads later in Madina, he did not have his head cut by an infidel and thus could not achieve "shahadat". His head was intact on his shoulders until the end and was safely resting on the thighs of his gorgeous teenage wife Ayesha when he died. Actually the odds of that happening were high since Ayesha's thighs were often the

resting place for his head even when she was menstruating.

Bukhari ;Volume 1, Book 6, Number 296:

Narrated 'Aisha:

“The Prophet used to recite Qur'an with his head on my lap while I was in menses”.

Prophet Mo slept with his face between Ayesha's warm naked thighs in winters.

Abu Dawood Book 1, Number 0270:

Narrated Aisha, Ummul Mu'minin:

“One night he entered (upon me) while I was menstruating. He felt pain from cold. And he said: Come near me. I said: I am menstruating. He said: Uncover your thighs. I, therefore, uncovered both of my thighs. Then he put his cheek and chest on my thighs and I lent upon he until he became warm and slept”
