

MOHAMMAD AND AYESHA

By Ayesha Ahmed

Mrs. Abu Bakr: Abu ,I donâ€™t like that weirdo friend of yours coming here daily.

Abu Bakr: Why?

Mrs Abu Bakr: I donâ€™t like the way he looks at little Ayesha.

Abu Bakr: Crazy woman, he is her grandfatherâ€™s age, he loves children, thatâ€™s all.

Mrs Abu bakr: I donâ€™t know if he loves children or just wants to make love to children.

AbuBakr:What nonsense are you saying. For Godâ€™s sake he has Quran in his chest.

Mrs AbuBakr: Quran is in his chest, not between his legs. Anyways I donâ€™t want him to come near my little daughter. He gives lice to her Â every time he hugsÂ her. Even his beard has lice.

Bukhari, Volume 9, Book 87, Number 130:

Allah's Apostle used to visit Um Haram bint Milhan she was the wife of 'Ubada bin As-Samit. One day the Prophet visited her and she provided him with food and started looking for lice in his head.

Abu Dawood Book 19, Number 3074:

She was picking lice from the head of the Apostle of Allah (peace_be_upon_him) while the wife of Uthman ibn Affan and the immigrant women were with him.

AbuBkr: Woman you should not talk about prophet of Allah like that. He is the greatest man who ever lived.

Mrs Abu Bakr: If he is so great why does he swim with the dead dogs in the pond which has garbage and menstrual blood?

AbuBakr: What are you talking about?

Mrs AbuBakr: Yesterday I went to throw garbage in the Budaah well; he was jumping up and down and enjoying himself in the filthy stinky water. I asked him what he was doing in the dirty water. He said this water is clean. I said how that water can be clean with so many dead dogs, rags of menstrual blood and garbage in it. He said nothing makes water dirty. He then drank some water, performed wudu and left to lead Maghreb prayer. No wonder he stinks so bad.

Abu Dawood ,Book 1, Number 0066:

Narrated AbuSa'id al-Khudri:

The people asked the Messenger of Allah (peace_be_upon_him): Can we perform ablution out of the well of Buda'ah, which is a well into which menstrual clothes, dead dogs and stinking things were thrown? He replied: Water is pure and is not defiled by anything.

Abu Dawood, Book 1, Number 0067:

Narrated AbuSa'id al-Khudri:

I heard that the people asked the Prophet of Allah (peace_be_upon_him): Water is brought for you from the well of Buda'ah. It is a well in which dead dogs, menstrual clothes and excrement of people are thrown. The Messenger of Allah (peace_be_upon_him) replied: Verily water is pure and is not defiled by anything.

Tafsir Qurtubi, chapter vol 13, page 51

Prophet drank dirty water from Budaah well and performed wudu with it.

(For other references to Prophet's (PBUH) bathing, drinking and making wudu with the water from Budaah well with dead dogs, garbage and menstrual blood listen to the last part of the following debate between a muslim scholar and a Christian Arab)

AbuBakr: Woman, don't you understand, you witnessed Allah's miracle .If I and you drink the Budaah well water, we will be sick and may even die. But nothing happens to Mohammed. Doesn't that prove that he is Allah's prophet?

Mrs Abu Bakr: No, that proves that he is a nut case and we should not allow him near our daughter.

AbuBakr: Too late for that. Today he asked me for her hand and I accepted.

MrsAbuBakr: You crazy old man, why didn't you say no.

Mohammed is not only crazy, he is her grandfather's age.

AbuBakr: I did but he said these are Allah's orders and he is helpless in that matter. I had to agree, I don't want to make Allah angry and end up in hellfire.

Mrs AbuBakr: Can you at least put a marriage condition not to come near Ayesha after he bathes or make wudu in Budaah water?
